**Welcome to Divine Mercy Parish** ~ We are pleased to have you present today and extend to you the warmest of welcomes. It is fitting that we should celebrate the Holy Mass together at our Parish, the center of our spiritual life. We ask everyone gathered here to remember this is a holy place. It is a place where the Blessed Sacrament, Our Lord present among us, is kept in the tabernacle. It is also a sacred place for prayer. Therefore, please maintain a respectful silence in the Church out of consideration for the presence of Our Lord in the Blessed Sacrament, and those who are praying. Thank you for your understanding.

**“Attitude ~** We cannot control the wind, but we can adjust our sails.”

**For Reflection:**

When people question about whether a Priest should marry?

A better question to meditate on “Was Jesus married???”

**PRO-LIFE REFLECTION**

*From the Gospel of The Vigil Assumption, Luke 11: "Rather blessed are those who hear the word of God and observe it."*

Mary heard the word of God in the Angel's message and said yes to life.

## Law of the Garbage Truck

One day I hopped in a taxi and we took off for the airport. We were driving in the right lane when suddenly a black car jumped out of a parking space right in front of us. My taxi driver slammed on his brakes, skidded, and missed the other car by just inches! The driver of the other car whipped his head around and started yelling at us. My taxi driver just smiled and waved at the guy. And I mean, he was really friendly. So I asked, "Why did you just do that?

This guy almost ruined your car and sent us to the hospital! This is when my taxi driver taught me what I now call, "The Law of the Garbage Truck".

He explained that many people are like garbage trucks. They run around full of garbage, full of frustration, full of anger and full of disappointment. As their garbage piles up, they need a place to dump it and sometimes they'll dump it on you. Don't take it personally. Just smile, wave, wish them well and move on. Don't take their garbage and spread it to other people at work, at home or on the streets.

The bottom line is that successful people do not let garbage trucks take over their day. Life's too short to wake up in the morning with regrets, so...Love the people who treat you right. Pray for the ones who don't. Life is ten percent what you make it and ninety percent how you take it!

~~ BACK PAGE HUMOR & MORE ~~

When Albert Einstein was making the rounds of the speaker's circuit, he usually found himself eagerly longing to get back to his laboratory work. One night as they were driving to yet another rubber-chicken dinner, Einstein mentioned to his chauffeur (a man who somewhat resembled Einstein in looks & manner) that he was tired of speechmaking.

"I have an idea, boss," his chauffeur said. "I've heard you give this speech so many times. I'll bet I could give it for you." Einstein laughed loudly and said, "Why not? Let's do it!" When they arrive at the dinner, Einstein donned the chauffeur's cap and jacket and sat in the back of the room. The chauffeur gave a beautiful rendition of Einstein's speech and even answered a few questions expertly.

Then a supremely pompous professor asked an extremely esoteric question about anti-matter formation, digressing here and there to let everyone in the audience know that he was nobody's fool. Without missing a beat, the chauffeur fixed the professor with a steely stare and said, "Sir, the answer to that question is so simple that I will let my chauffeur, who is sitting in the back, answer it for me."

Mystery Answer is Providence
