New, But Rich in Tradition:

A Brief Overview of Divine Mercy Parish

Sts. Peter & Paul Parish was founded in 1905 to serve the needs of Polish immigrants. **St. Adalbert Parish**, Bondsville, began as a mission of Sts. Peter & Paul in 1910, was erected a parish in its own right in 1917, and closed in 2004. **St. Anne Parish** was founded in 1882 to serve the needs of French Canadian immigrants. By a decree of the Bishop of Springfield issued on Nov. 23, 2009, Sts. Peter & Paul and St. Anne were merged to form **Divine Mercy Parish**. With its combination of a typical New England exterior and a beautiful Baroque interior, Sts. Peter & Paul Church is the designated worship place for Divine Mercy.

The Most Blessed Sacrament ~ ~ ~

The Most Blessed Sacrament is reserved in our church, located in the tabernacle on the High Altar, beneath the statues of the Sacred Heart of Jesus, and the Holy Apostles Peter and Paul. We ask that you maintain a respectful silence when you are in the church. This is especially important **before and after the Holy Sacrifice of the Mass.** Your reverent attitude is not only an example for all, but is respectful of those who are praying. *Thank you!*

Please refer to the front cover for the hours of Adoration.

Since 1996, our parish has been blessed to have the Blessed Sacrament exposed for the Adoration of the faithful. However, the Blessed Sacrament cannot be exposed in the monstrance on the altar unless one is willing to sacrifice one (1) hour. *Will you be that person??*

Please pray for/welcome our new Adoration Coordinator Joanne Stolar. *We thank Joanne for volunteering for this ministry! We are grateful that Adoration of the Most Blessed Sacrament continues in our parish.*

Hours still needing volunteer adorers:

Time spent with God is never time wasted! He may be calling YOU! To substitute or commit to an hour in this ministry of prayer, please contact Joanne @ 283-4651. God is never outdone in generosity!

School of Religious Education *NEWS*

Religious Education Classes have concluded for 2014-2015. Now comes the CHALLENGE, students and parents. Do you live your faith *only a few months through the year? Do you pray daily? Is God and eternal life with Him important to you, above all the other things that occupy daily life?* Think about.....rather, **PRAY ABOUT** these questions. Ask Our Blessed Mother to assist you to find the right answers.

As Catholics, we are obliged to attend Holy Mass every Sunday (or Saturday Vigil). Come together as a family. Some may tell you, *"It doesn't matter to God whether I'm in church or not."* You may reply, ***"God does care, and I know I'm pleasing Him when I come to worship and thank Him at Mass."***

RECITATION OF THE ROSARY ON MONDAYS

Sts. Peter & Paul Rosary Sodality continues to pray the Rosary on each Monday at 4:00 p.m. in church. Please come and pray for world peace and the protection for our citizens and nation. ***All are welcome! Queen of the Holy Rosary, pray for us!***

A Country Founded by Geniuses but Run by Idiots

By Jeff Foxworthy

If plastic water bottles are okay, but plastic bags are banned,
you might live in a nation (state) that was founded by geniuses but is run by
idiots. (*We do live in such a country!*)

If you can be arrested for hunting or fishing without a license, but not for
entering and remaining in the country illegally,
you might live in a nation (state) that was founded by geniuses but is run by
idiots.

If you have to get your parents' permission to go on a field trip or to take an
aspirin in school, but not to have an abortion,
you might live in a nation (state) that was founded by geniuses but is run by
idiots.

If you MUST show your identification to board an airplane, cash a check, buy
liquor, or check out a library book and rent a video, but not to vote for who runs
the government,
you might live in a nation (state) that was founded by geniuses but is run by
idiots.

If, in the nation's largest city, you can purchase two 16 ounce sodas, but not one
24 ounce soda because 24 ounces of a sugary drink might make you fat,
you might live in a nation (state) that was founded by geniuses but is run by
idiots.

If an 80-year-old woman who is confined to a wheelchair or a three-year-old girl
can be strip-searched by the TSA at the airport, but a woman in a burka or hijab
is only subject to having her neck and head searched,
you might live in a nation (state) that was founded by geniuses but is run by
idiots.

If your government believes that the best way to eradicate trillions of dollars of
debt is to spend trillions more,
you might live in a nation (state) that was founded by geniuses but is run by
idiots.

A Country Founded by Geniuses but Run by Idiots

...continued from previous page

If a seven-year-old boy can be thrown out of school for saying his teacher is “cute,” but hosting a sexual exploration or diversity class in grade school is perfectly acceptable,
you might live in a nation (state) that was founded by geniuses but is run by idiots.

If hard work and success are met with higher taxes and more government regulation and intrusion, while *not working* is rewarded with food stamps, WIC checks, Medicaid benefits, subsidized housing and free cell phones,
you might live in a nation (state) that was founded by geniuses but is run by idiots.

If you pay your mortgage faithfully, denying yourself the newest big screen TV, while your neighbor buys iPhones, time shares, a wall-sized do-it-all plasma TV and new cars, and the government forgives his debt when he defaults on his mortgage,
you might live in a nation (state) that was founded by geniuses but is run by idiots.

If being stripped of your constitutional right to defend yourself makes you more “safe” according to the government,
you might live in a nation (state) that was founded by geniuses but is run by idiots.

Think carefully before you VOTE in all upcoming elections. Most of the idiots running this country say one thing and do the opposite, knowing that people who voted them in do NOT pay attention to what they *do*, but *only what they say*.

Listening for God

We are no longer able to hear God--there are too many different frequencies filling our ears. What is said about God strikes us as pre-scientific, no longer suited to our age. Along with this hardness of hearing or outright deafness where God is concerned, we naturally lose our ability to speak with Him and to Him.

Is it true that everything goes as usual when God no longer is a part of our lives and world?

Let us ask the Lord with all our hearts to speak anew His “Ephphatha,” to heal our hardness of hearing for God’s presence, activity, and Word, and to give us sight and hearing.

Pope Benedict XVI (reigned, 2005-2013)
